

**DropDown 1 Certifications Agency:**

1. ACI
2. MARTCP
3. ICC
4. WACEL
5. NICET
6. NRMCA
7. VDOT
8. OSHA
9. WVDOH
10. AWS
11. Others

**DropDown 2 Certifications Desired:**

1. ACI Concrete Transportation Construction Inspector In Training
2. ACI Concrete Transportation Construction Inspector
3. ACI Aggregate Testing Technician Level I
4. ACI Aggregate Testing Technician Level I
5. ACI Aggregate/Sols Base Testing Technician
6. ACI Cement Physical Tester
7. ACI Concrete Field Technician Grade I
8. ACI Concrete Field Technician Level II
9. ACI Concrete Laboratory Testing Technician Level I
10. ACI Concrete Laboratory Testing Technician Level I
11. ACI Concrete Strength Testing Technician
12. ACI Masonry Field Testing Technician
13. ACI Masonry Laboratory Testing Technician
14. Aerosol 3-Day Asbestos Inspector
15. Asbestos Awareness
16. Asbestos Inspector
17. Asphalt Institute Asphalt Binder Technology
18. Asphalt Institute Asphalt Mix Design Technology
19. Asphalt Institute Optimizing Volumetrics and HMA Compactability (Bailey Method)
20. AWS Certified Welding Inspector
21. AWS Welding Supervisor
22. CETCO Bentonite Waterproofing System
23. CETCO Certified Waterproofing Inspector
24. ClickSafety Asbestos in Construction
25. Coatings Application Specialist
26. Confined Space Awareness
27. Cont-Confined Spaces Awareness
28. Cont-Heat Stress Orientation

29. Cont-Respiratory Protection Training
30. DC Risk Assessor/Lead
31. DOT, NRC & IATA Requirements for Shipping Radioactive Material
32. DOT, NRC & IATA Requirements for Shipping Radioactive Material with Radiation Fundamentals
33. Dye Penetrant Testing, Level II
34. Erosion and Sediment Control Designers Training
35. FTI Aerial/Scissor Lift Training
36. HAZMAT Certification
37. ICC Soils Special Inspector
38. Magnetic Particle Testing Level I
39. MARTCP Aggregate Technician (Quarry/Producers Laboratory)
40. MARTCP Concrete Field
41. MARTCP HMA Field Technician
42. MARTCP HMA Materials Tester
43. MARTCP Plant Technician Level I
44. MARTCP Plant Technician Level II
45. Maryland Asbestos License
46. Maryland Department of Environment (MDE) Erosion & Sediment Control (Green Card)
47. Maryland Lead Risk Assessor
48. Maryland MDE Lead Paint Inspector Technician
49. Maryland Water Sampler Certificate
50. Maryland MDOT SHA Temporary Traffic Control Manager (TTCM)
51. MDOT SHA Erosion & Sediment Control (Yellow Card)
52. NACE Cured In Place Inspector
53. NICET Asphalt Level I
54. NICET Asphalt Level II
55. NICET Asphalt Level III
56. NICET Asphalt Level IV
57. NICET Concrete Level I
58. NICET Concrete Level II
59. NICET Concrete Level III
60. NICET Concrete Level IV
61. NICET Highway Construction Level I
62. NICET Highway Construction Level II
63. NICET Highway Materials Level I
64. NICET Highway Materials Level II
65. NICET Soils Level I
66. NICET Soils Level II
67. NICET Soils Level III
68. NICET Soils Level IV
69. NRCA Advanced Roofing Technology: The Master's Course
70. NRCA Performance Technology for Roof Systems
71. NRMMC Concrete Field Testing Technician Grade II

72. NRMC Pervious Concrete Craftsman
73. NRMC Pervious Concrete Technician
74. OSHA 10 Hour
75. OSHA 26, Course 510
76. OSHA 30-hour Construction Safety & Health
77. OSHA Permit-Required Confined Space Entry
78. Pennsylvania Asbestos Lead Inspector
79. PA Risk Assessor/Lead
80. Panametrix - NDT Ultrasonic NDT Level I
81. Panametrix - NDT Ultrasonic NDT Level II
82. PCI Quality Control Personnel Certification Level III
83. Permit Confined Spaces
84. Punyam: CertCalibration Lab Engineer Mech
85. SSPC C-2 Supervisor/Competent Deleading of Industrial Structures
86. SSPC C-3 Supervisor/Competent Deleading of Industrial Structures
87. Stork Welder Qualification Record
88. Troxler Compaction & Density Testing
89. Troxler HAZMAT Certification
90. Troxler Radiation Safety Officer Training
91. Troxler Soil & Aggregate Compaction
92. U.S. DOT National Highway Institute Drilled Shaft Foundation
93. VDOT Asphalt Field & Compaction Technician
94. VDOT Asphalt Plant Technician
95. VDOT Asphalt Plant Level I
96. VDOT Concrete Field
97. VDOT Concrete Field Technician
98. VDOT Concrete Field Testing
99. VDOT Asphalt Plant Level II
100. VDOT Asphalt Field Level I
101. VDOT Soils & Aggregate Compaction
102. VDOT Surface Treatment
103. Virginia Lead Inspector License
104. Visual Testing (VT) Level II
105. WACEL Aggregate Laboratory Technician
106. WACEL Concrete Field Technician Level I
107. WACEL Concrete/Masonry Strength Technician
108. WACEL Concrete Field Technician Level II
109. WACEL Structural Concrete
110. WACEL Firestopping Technician
111. WACEL Foundation Technician Level I
112. WACEL Structural Masonry Special Inspector
113. WACEL Structural Steel Inspector Level I
114. WACEL Structural Steel Inspector Level II
115. West Virginia Asbestos Inspector

- 116. West Virginia Lead Inspector
- 117. WVDOH Aggregate Technician
- 118. WVDOH Asphalt Field & Compaction Technician
- 119. WVDOH Asphalt Plant Technician
- 120. WVDOH Certified Concrete Technologist
- 121. WVDOH Portland Cement Concrete Inspector
- 122. WVDOH Portland Cement Concrete Technician
- 123. WVDOH Soil & Aggregate Compaction Inspector
- 124. WVDOH Superpave Mix Design Technician
- 125. WVDOH Transportation Engineering Technician (TRET) Level I
- 126. WVDOH Transportation Engineering Technician (TRET) Level II
- 127. WVDOH Transportation Engineering Technician (TRET) Level III
- 128. WVDOH Transportation Engineering Technician (TRET) Level IV
- 129. WVDOH Transportation Engineering Technologist (TRETNO) Level V

## **Summary:**

These certifications, as shown in **DropDown 2**, are extensive, with many options related to different agencies and levels. A dynamic interface will be needed where selecting an option from **DropDown 1** (Certification Agency) filters the available options in **DropDown 2**. This ensures users only see relevant certifications for their selected agency.
